We are happy to have with us this morning Rev. Rufus S. Sorrels of the Pickens Memorial Methodist Church of Dumas, Ark. We of the Rohwer Federated Christian Church wish to express our appreciation to Rev. Sorrels for his kindness in coming to us this morning.

RECEPTION

The regular YPCF meeting will be postponed due to the reception which will be held in honor of 150 S '43 graduates who are affiliated with the Church. Graduates from the grammar, junior high, and high schools will be honored.

ACKNOWLEDGEMENTS

to Mr. John Ty Saito. We wish to express our appreciation for the generous donation to the Church and Sunday School and for the help rendered to us during his stay.

to Mrs. I. W. Lackey of Roscoe, Texas for the Sunday School papers sent to us. The children send their thanks.

to the Vacation Bible School of Williamsburg Presbyterian Church of Kingstree, South Carolina for the box of materials which we received for distribution through Miss Sorenson.

to H. B. Diver, East Pembroke, New York. We wish to express our sincere appreciation for the set of large pictures for our Sunday School, which was received through Miss Sorenson.

COMING

Next Sunday we shall be privileged to have with us as our morning speaker, Dr. Ralph L. Mayberry of Los Angeles, Excc. Sec'y of the Home Mission Society of the Southern California Baptist Convention.

PERSONALS

Ren Kimura writes: "I feel at home now, because I am receiving a lot of letters from you dear friends, and it makes me very happy. Wish that you could be here in North Chili to enjoy the cool clear weather. My best regards to all of you."

Walter Saito writes: "I wish to express my regards to the Y.P. members and would like to hear from you. I shall give you some sort of impression on the lovely college town which has indeed given the nisei a grand opportunity to contribute their share of victory effort. I am working hard every day. I wish that my fingers could just hurriedly write and also multiply so that I might write to each one a bit of news. My fingers are limited; so I shall ask for your patience until time permits me to write to each one of you."

DEPARTURES

Our friends are leaving one by one. We shall certainly miss them, but we wish them Godspeed in their new ventures.

John Taizo Saito left for Cleveland, Ohio.

Sam Ishikawa for Philadelphia, Pennsylvania, to work at the Student Relocation office.

Mr. and Mrs. Charles Shimamoto left for Chicago, Ill.

Mrs. Ruth Takahashi left for Cedar Rapids, Iowa, to join her husband.

Haruko Matsushita left for St. Cloud, Minn., to attend college.

VISITOR

We were greatly surprised and pleased to see a familiar figure walk into our Center this Wednesday. Those of us who know George Takaya value his Christian friendship. George is at present studying at Chosbrough Seminary, North Chili, New York. He has toured the states of Illinois, Colorado, Arizona, Texas, and Arkansas, contacting young people desiring to enter the schools which are now open to the Nisei students for relocation. We are looking toward the day when George will return to us and give us a longer visit.
